CASE NO: 314758

VERIFIED PETITION FOR ABATEMENT OF NUISANCE

COMES NOW, the State of Tennessee, ex.rel. Coty Wamp, District Attorney General for the Eleventh Judicial District, and files this Verified Petition for Abatement of Nuisance, and for its cause of action would show unto the Court the following:

1. This cause of action is commenced pursuant to **Tenn. Code Ann § 29-3-101, et.seq.**, which provide, in part, for the abatement of any nuisance. A nuisance is defined, in relevant part, as:

Nuisance means.... "any place in or upon which lewdness, prostitution, promotion of prostitution, patronizing prostitution, unlawful sale of intoxicating liquors, unlawful sale of any regulated legend drug, narcotic, other controlled substance analogue, any sale or possession with intent to sell drug paraphernalia...., unlawful gambling, any sale, exhibition or possession of any material determined to be obscene or pornographic with intent to exhibit, sell, deliver or distribute manner or materials...., quarreling, drunkenness, fighting, breaches of the peace are carried on or permitted, and personal property, contents, furniture, fixtures, equipment and stock used in or in connection with the conducting and maintaining any such place for any such purposes.

This Court has jurisdiction over the matter as provided in **Tenn. Code Ann. § 29-3-102**, which extends jurisdiction to “chancery, circuit or criminal courts and any courts designated as an environmental court pursuant to Chapter 426 of the Public Acts of 1991”.

Hamilton County, Tennessee, is the proper venue for this action. The relevant statute provides that the District Attorney General “shall bring the action in the county where the nuisance is kept, maintained, carried on, or exists.” **Tenn. Code Ann. § 29-3-103**.

Tennessee Code Annotated section 29-3-105 dictates that in such abatement proceeding the court or judge “shall, upon the presentation of a bill or petition therefor, alleging that the nuisance complained of exists, award a temporary writ of injunction, enjoining and restraining the further continuance of such nuisance, and the closing of the building or place wherein the same is conducted until the further order of the court, judge, or chancellor.” **Tenn. Code Ann. § 29-3-105**.

The nuisance is a parcel of real property (parcel ID 169L_L_002) with its appurtenances and attachments, and is an on-going business known as the Budgetel Inn and Suites (“Budgetel Inn”, “Budgetel”, “Inn”) municipally known as 1410 N. Mack Smith Road, East Ridge, Tennessee 37412, with a current property mailing address listed as Lodge of Chattanooga, LLC 400 Galleria Pkwy, Suite 1140, Atlanta, Georgia 30339. The Budgetel Inn is a motel business that has been a haven for drug use, drug overdoses, drug distribution, used as a hideout for out-of-state wanted fugitives, aggravated assaults, domestic assaults, simple assaults, used as a residence by registered and known sex offenders with children living on the premises, disorderly conducts, and other criminal activities.

In the time period of October 1, 2019, to October 8, 2022, the East Ridge Police Department received and responded to 1,421 calls at 1410 N. Mark Smith Road, East Ridge, Tennessee 37412, the Budgetel Inn. The East Ridge Fire Department received and responded to 378 calls at this location. Hamilton County EMS received and responded to 340 calls at this location. Attached Exhibit 1 details the total calls the East Ridge Police Department received to respond to the Budgetel Inn during this period of time. *See attached Exhibit 1, CAD Browser*. The reasons for calls to

dispatch from this location cover a broad array of criminal offenses including but not limited to disorderly conduct, illicit drug use including sale and delivery, overdoses (including deaths), assaults, thefts, warrant service, and juvenile delinquency. Attached Exhibit 2 represents a compilation of the calls from the Budgetel Inn (and a summary of the calls) the East Ridge Police Department has received since June of 2022. *See attached Exhibit 2, Summary of Incidents June 2022-November 2022.*

Due to large amounts of drug users residing at and visiting the Budgetel, police, EMS and the fire department often respond to overdose calls. Year to date there have been at least eight (8) overdoses to which police have responded, two (2) of which have resulted in fatalities. A summary of 2022 overdose reports from the location of the Budgetel are attached to this Petition as *Exhibit 3, Overdose Events.*

There have also been numerous complaints of staff members of Budgetel being involved in criminal activity. These complaints range from over-billing, narcotic transactions, and theft of property from rooms. A recent example of employee involvement in criminal activity occurred on September 21, 2022. The assistant manager, identified as Stephen Parker Long was reported to being extremely intoxicated on the property. Parker Long retrieved an Airsoft AR Lancer Tactical rifle and began firing. Two individuals were shot and a vehicle was damaged by the gun shots. A third victim informed investigators that Parker Long aimed the airsoft rifle at close range to victim threatening to shoot him as it “was an initiation”. The airsoft rifle was located in the main office of the property. *See attached Exhibit 4, Arrest Report.*

According to the Tennessee Bureau of Investigation Sex Offender Registry, there are four “known” sex offenders living in the Budgetel Inn. These sex offenders are: James Adam Rogers (listed as violent against children); Timothy Eugene Caldwell (listed as violent against children); Shaune Woolen (violent against children); and Paul Davis. These offenders have listed the Budgetel as their “place of residence” for purposes of the Sex Offender Registry. *See Exhibit 5, Tennessee*

Bureau of Investigation Sex Offender Registry. There are many children that live at the Budgetel. An accurate number of minor children is not ascertainable, but upon information and belief, the number of minor children is over three dozen. The number changes, in part, due to the transit nature of some of the parents of the minor children.

On November 5, 2022, Sgt. David Myrick of the East Ridge Police Department stopped a vehicle for a violation of the traffic code on the premises of the Budgetel Inn. While Sgt. Myrick was interacting with the driver, a person claiming to be the manager of the Budgetel Inn walked up and stated that the police department was not to be on the property unless they notified management and provided a room number and purpose of visit. The manager stated that the Inn would close the gate and not let law enforcement enter. This is extremely concerning given the serious criminal and medical incidents that are so common at the location.

The Budgetel Inn operates in a commercial and well-traveled area of East Ridge. Neighboring business owners, including owners of restaurants and retail locations, are hindered by the nature of the residents at the Inn and the consistency of necessary police presence at the Inn. It is reasonable to assume that nearby businesses are negatively impacted by the frequent incidents of criminal activity. Nine neighboring business owners have provided sworn affidavits detailing their negative experiences with the Budgetel Inn. These experiences include residence causing disorders on the business owners' properties, loud music, smells of illegal narcotics, thefts, unruly juveniles, loitering, and general disruption in the operation of their businesses. The affidavits of Stephanie Noble, Aaron Murray, Beth Hickman, Robin Nave-Montero, Randy Keith, Katie Glaze, Jessica Wheeler, Mike Bruce, and Gregg Bowman are attached as *Exhibit 6, Affidavits*.

The State has only shown in this Verified Petition a small sample of the history of criminal activity and the on-going criminal activity occurring at 1410 N. Mack Smith Road, East Ridge, Tennessee. The property has been, and continues to operate, as a haven for criminal activity and is a continual threat to the community and surrounding businesses based on the daily criminal activity.

The East Ridge Police Department is overwhelmed with the call volume that stems from the Budgetel Inn. Law enforcement agencies only have so much manpower to devote to their jurisdictions, in this case, the city of East Ridge. It is not reasonable that so much of the Police Department's time and energy is being spent on one criminal hub within their city limits. The property is a nuisance for the city of East Ridge and for Hamilton County.

WHEREFORE, pursuant to Tennessee Code Annotated § 29-3-105, the State of Tennessee prays the Court will grant a temporary writ of injunction; that notice be given to all parties to appear and show cause why the State's further application for a permanent injunction should not be granted; and upon hearing the proof in this cause, that a judgment be entered declaring 1410 N. Mack Smith Road, East Ridge, Tennessee, 37412 a public nuisance pursuant to the laws of the State of Tennessee. This is the first application for extraordinary process in this cause.

Respectfully submitted, this 14th day of November, 2022.

Coty Wamp
District Attorney General, 11th Judicial District

Said lawful peace officers shall knock and announce at each room of the Budgetel Inn to provide notice to the guests/residents of this Order and to allow such persons time to collect their personal belongings and vacate the premises.

Incident # 22-013204

SIMMONS, A.

On September 21, 2022, at approximately 2156 hours, police were dispatched to 1410 Mack Smith Road regarding a disorder with a weapon. Police were advised there was approximately 15 people on scene in front of the Budgetel Inn getting ready to be in a physical altercation. Upon arrival, police met with one of the witnesses, who advised the assistant manager, identified as Stephen Parker-Long was extremely intoxicated, came out of his room and shot numerous 'rounds' out of a life-like looking airsoft rifle, which ultimately shot two people and two rounds hit a Nissan Maxima. One victim, identified as Chris Smith was shot in the wrist, however declined to press charges. Another victim, Dylan Hardwick was shot in the upper left arm that left a black and blue bruise that coincides with the size of the airsoft bullets. The owner of the Nissan Maxima identified as Zackery Lewis wished to press charges for the rounds going into his vehicle. It should also be noted that Parker-Long aimed the airsoft rifle at close range to Smith threatening to shoot him as well as it was "initiation." The rifle is described as a black rifle, with a 'semi' and 'automatic' switches on them in the same place as a regular rifle, equipped with a light, optic sights, and a full-size magazine. Parker-Long continued to be disorderly with those in the parking lot and told Hardwick he would "beat his ass" and "bucked up" to him numerous times. Police were advised Parker-Long was in his room #2204. Police located an incredibly intoxicated Parker-Long. Parker-Long had conflicting stories, advised he didn't have the rifle and wasn't sure where it was. Then Parker-Long advised police that Lewis was starting to act out in front of him, therefor it caused the altercation. Police retrieved the airsoft rifle from the main office. Parker-Long was taken into custody and charged accordingly.

AFFIDAVITS

- a. On one occasion, a juvenile opened the door for another who was riding a push scooter; that juvenile proceeded to try to ride his push scooter through our store; and,
 - b. More than once, a group of juveniles has come in and asked to use the restroom only for us to later discover the toilet is clogged/filled to the lid with toilet paper.
9. We have had people try to yank open our front door after hours.
10. We had someone sleeping on a piece of outdoor wicker furniture in front of our store. That individual broke the wicker furniture.
11. We have had people from the Budgetel panhandling us and our customers.
12. I have specifically witnessed, on more than one occasion, the same male individual panhandling and parading around a small infant child for sympathy.
13. There is a chain-link fence between my building and the building where The Green Gardinia is located. Residents of the Budgetel have torn that fence away from the building before.
14. There is another chain-link fence between my building and the small house where Noble Antiques & Curiosities is located; Residents of the Budgetel cut a hole in that fence to walk through our parking lot. My husband used zip ties to try to fix the hole.
15. I have witnessed residents of the Budgetel openly urinating and defecating in the grass beside my store and behind Noble Antiques & Curiosities.
16. On October 26, 2022, when I arrived at the store to open approximately 8:30am and I noticed our garbage cans were not in their usual spot. Upon looking closer I noticed that items from in front of Sugar Plum had been arranged in a fashion to make a temporary shelter in front of Sugar Plum. I discovered a male individual sleeping inside the temporary shelter. Next to

the individual I observed what appeared to be pills, wrappers for food, and a bloody knife. Attached hereto as Exhibit A, a collective exhibit, are true and correct copies of photographs I took depicting the pills, wrappers for food and bloody knife.

individual he was on private property and needed to leave. I observed him leave the area. The male individual was wearing dark jacket and had a camo duffle bag with him.

10. On the morning of October 26, 2022, I heard Brian Hickman outside yelling at somebody to leave. By the time I got outside Brian Hickman had run the individual off. Brian Hickman informed me he ran off a male individual.

11. I asked Brian Hickman what the male individual looked like and whether he was wearing dark jacket and carrying a camo duffle bag. Brian Hickman informed me the male individual was indeed wearing dark jacket and carrying a camo duffle bag; it was the same male individual I trespassed from the property the night before. Brian Hickman informed me the male individual had constructed some sort of temporary shelter out of materials between our two stores.

12. Later, on October 26, 2022, Beth Hickman, another owner of Sugar Plum, and I were outside looking at the area where the male individual had been sleeping and noticed a bloody knife under a sheet of tin the male individual was using as a roof for his temporary shelter.

9. In the Summer of 2022, we had the same individual sleeping on a bench outside the restaurant on two separate occasions; both times we asked him to leave and he proceeded to walk to the Budgetel.

10. The activities of the Budgetel residents cause our employees to fear for their safety, disrupts the restaurants' business, and causes Champy's to be concerned about for its customers' safety.

11. On October 21, 2022, we had three individuals from the Budgetel walk through Champy's with a pitbull wearing a service dog vest. The individuals approached over twenty separate tables asking the patrons to pet the dog. The three individuals were not customers of Champy's and did not purchase anything, so we asked them to leave the premises.

9. There is a chain-link fence between the corner of my building the corner of the building where Sugar Plum is located. Residents of the Budgetel tore the fence off my building so they could walk through our parking lot. My landlord had to repair the fence.

10. On two separate occasions when I arrived to open the store I noticed the backdoor was open. I keep a padlock on the inside of the back door. That padlock was the only thing keeping the backdoor to The Green Gardinia secure enough to stop someone from entering. This means someone has twice attempted to enter my store at night while it was closed.

Further Affiant saith not.

6. I observe a lot of foot traffic going through our parking lot, and they always seem to be either coming from or going to the Budgetel.

7. In early October, 2022, I witnessed a large group of juveniles fighting in the parking lot and called police. East Ridge Police Officer Scott Darwin responded and made a report.

8. Because of the known activities at the Budgetel and the incidents I have been told about by other business owners in the area I do not feel safe when working at my business after hours or at night.
